It has been previously stated that if sufficient evidence was obtained to prove that after the marriage in Mexico the film actor brought his bride back into California, bigamy proceedings would be instituted.

#### DEPUTY HIS VICTIM

Crime Which Brings Death  
Sentence Committed on  
April 15

SALT LAKE CITY, May 20.—Geo. H. Gardner of Welby, Utah, convicted recently of first degree murder in connection with the slaying of Deputy Sheriff Gordon Stuart, was today sentenced to death by shooting on July 14. The execution was decided upon in district court when Gardner came up for sentence. He chose to be shot rather than hung.

Gardner was found guilty of first-degree murder a week ago. The jury made no recommendation for mercy, and under the law, such a verdict calls for infliction of the death sentence.

Gardner killed Deputy Stuart and fatally wounded Joseph W. Irvine after they came to the farm in company with other deputies and several friends of Irvine's to replenish some stock to which Irvine claimed ownership. An automatic shotgun was used by the murderer.

Action in the Gardner case sets up something of a record in murder trials, barely more than a month passing from the time the crime was committed until he was sentenced to be shot to death.

The date of the execution is only three months ahead of the date upon which he did the shooting for which he must pay with his life.

NEW YORK, May 20.—Mayor Hylan who boasts a great reputation as an expert in throwing out first balls in baseball parks, very distinctly failed to qualify when it came to marbles today.

That it was not the "tax" fault was shown by the fact that Mickey Markoff used the identical shooter. And Mickey became the champion of New York some 20 minutes after the mayor had opened festivities.

Before a crowd of several thousand, grouped behind a cordon of excited policemen, the mayor set the game in motion in front of City Hall.
